

Business Ready is delivered by the experienced team of business advisers at University of Warwick Science Park (UWSP). It is a fully-funded innovative business readiness support package primarily for tech-based businesses based in Warwickshire, with the characteristics and ambition for growth.

**Access to Incubation**

Mentoring support for ambitious ventures wanting to start and grow their business, co-located with UWSPs start-up incubator Ignite.

**Access to Finance**

Assistance in identifying funding routes and developing investment readiness, co-located with UWSPs Minerva Business Angel Network.

# Fully funded business support for ideas, innovation and growth

**Access to Markets**

Assistance in identifying routes to market and developing market readiness, co-located with UWSPs Techmark activity.

**Access to Knowledge**

Customised business support and access to subject matter experts, as well as connections to Universities and their resources.

Get one-to-one support for your business, contact us at [businessready@uwsp.co.uk](mailto:businessready@uwsp.co.uk)
